

Somfy's motorizations for curtains enhance your home and your lifestyle with smart technology that blends seamlessly into any interior design scheme.

Infused with French quality and style, they enable you to control natural light levels and room temperatures and to create different moods, protect your privacy, or define areas to optimize space.

Our solutions are ideal for all areas in your home, particularly suitable for hard to reach windows such as high ceiling windows, and deep-sill windows.

#### About Somfy

Somfy is the leading global manufacturer of motorized solutions for homes and buildings. Our pioneering, connected range is designed to manage roller shutters, curtains and blinds, gates and garage doors, lighting and heating, alarm systems and more, and to enhance well-being, security and energy efficiency. Somfy is strongly committed to providing reliable, high-quality products, services and support at every stage of your project.
