somfy Building happiness

Motorizing curtains with Somfy's leading solutions

Combining state-of-the-art engineering with the finest French quality and design, Somfy's motorized curtains add value to hotels, public institutions, and commercial projects. Our intelligent solutions help to make buildings stand out from the competition, enhance occupants' comfort, and increase operational efficiency.

Enhanced comfort

- Occupants can easily adjust curtains with the touch of a button to help keep the space cool
- Natural light can be filtered to appropriate levels for rest or work, or blocked out completely

Increased operational efficiency

- Curtain fabric stays clean and lasts longer as there is no need for manual handling
- Easy adjustment of extra-large or heavy curtains
- Curtains always hang perfectly and retain their elegant appearance

Improved aesthetic appeal

- Discreet design blends into any interior
- Adjustable positioning for precise curtain alignment
- Advanced track design and swivel ceiling brackets minimize light gaps

COMMERCIAL BUILDINGS
